Reilly Industries Inc.
P.O. Box 580
Wendover, UT 84083-0082

To Whom It May Concern:

On February 6, 1992, Reilly Industries Inc. (Reilly) filed noncompetitive fringe acreage lease application UTU-69383 for land contiguous to non-federal lands controlled by Reilly. The application included lands on Hill Air Force Base property that Reilly had encroached upon. Furthermore, Reilly removed Federal potassium deposits from these lands without required Federal authorization.

It has recently come to the attention of this office that the workings (ditches) on this application have been reclaimed. Therefore, we are requesting that you submit to this office, within thirty days of receipt of this letter, either a withdrawal of the fringe acreage lease application, or a request that processing of the application resume.

Sincerely,

/s/ Robert Lopez
